

Ogier in Luxembourg German Desk

As a leading financial centre, Luxembourg maintains a strong focus on German-speaking markets, which is why our Luxembourg office hosts a dedicated German Desk for the benefit of our German-speaking clients.

Ogier is a professional services firm offering legal expertise in funds, corporate, tax, finance and litigation services.

Our lawyers have been at the forefront of Luxembourg's rapidly evolving legal landscape since launching our local office in 2012. Globally, we have more than 1,000 professionals across key financial jurisdictions in European, Asian and US time zones.

A respected voice in the local market, we advise on significant international transactions. We use precise terminology to get straight to the point – and we speak your language.

About our German Desk

Drafting and negotiation completed in a single language, saving on both time and the cost of translation

We use precise legal terminology and have the ability to provide considerations on comparative law

Our clients include German and Swiss asset managers and family offices, as well as institutional investors in the DACH region

From cross-border investment structures to M&A and corporate restructuring, our desk provides specialists with the international know-how and the necessary language skills

Ogier's German Desk is comprised of native German speakers and fluent professionals who have experience and qualifications in German-speaking countries

Established in 2012, our Luxembourg office now has more than 60 employees, with expertise spanning banking and finance, corporate, dispute resolution, employment, investment funds and tax

We work closely with colleagues across our global network of 13 offices to provide seamless advice across time zones

Our Luxembourg team of market-leading lawyers are the chosen trusted advisers for leading investment fund managers, banks, corporate and institutional clients based primarily in London, Continental Europe, East Asia and North and South America

Our CAYLUX team is able to offer combined Cayman and Luxembourg legal advice for all types of fund finance transactions and provides Luxembourg legal expertise from a US time zone

Ogier is an award-winning firm that provides flexible, effective and commercial solutions for clients, with a culture centered on collaboration, diversity and respect
