Ogier

Banking and finance

Matching the right level of experience and expertise to each transaction, our top tier global Banking and Finance team has built our practice to advise all stakeholders across the full financial product lifecycle.

From debt and other security instrument listings to complex cross-border financing transactions, and restructuring and insolvency, we draw on the complementary disciplines of our banking, structured finance, fund finance, investment funds, corporate and dispute resolution teams to provide an efficient service.

We support clients transacting in or with counterparties or collateral in the BVI, Cayman, Guernsey, Ireland, Jersey and Luxembourg. Our presence in all major timezones ensures complex transactions can be effected within the tightest of deadlines.

Our legal team works closely with Ogier Global's corporate and fiduciary professionals to support clients with the formation and administration of asset finance vehicles, public and private debt issuers (including Islamic finance structures) and securitisation vehicles.

Listing services

Ogier Corporate Finance Limited is one of the leading listing agents for listings on The International Stock Exchange and the Cayman Islands Stock Exchange. Our specialist teams offer exceptional levels of expertise to assist issuers and provides advice and assistance in relation to both the initial listing process and ongoing requirements, to ensure compliance with listing rules and the continuing obligations applicable to listed issuers.
