

At a glance guide to Structured Finance

Our global Structured Finance team provides comprehensive legal and professional services specialising in securitisation, derivatives, repackaging, and other complex financial transactions.

Our experienced team acts for a wide range of banks, issuers, underwriters, trustees, managers, sponsors, corporate service providers and other financial institutions, advising on all legal aspects of traditional and cutting-edge finance structures, as well as providing independent third-party administration services.

We advise on asset-backed securities (ABS), commercial mortgage backed securitisations (CMBS), residential mortgage backed

securitisations (RMBS), collateralised loan obligations (CLOs), collateralised debt obligations (CDOs), collateralised fund obligations (CFOs), debt financing, high yield bond offerings, mezzanine financing and sovereign bonds.

We understand that our clients' needs often span multiple service areas, which is why our lawyers work closely with our corporate and fiduciary professionals at Ogier Global to provide an integrated service, ensuring that our clients receive seamless, co-ordinated advice.
